The “owners” of Saskatoon Christian School are defined as the membership of Saskatoon Society for Christian Education, Inc. The Board shall be accountable for the School to its owners as a whole. The Board shall act on behalf of the owners as a whole, rather than being advocates for specific geographic areas, denominations, or interest groups.

1. When making governance decisions, Board Members shall maintain a distinction between their personal interests as “customers” of the School’s services, and their obligation to speak for others as a representative of the owners as a whole. As the agent of the owners, the Board is obligated to identify and know what the owners want and need.
2. The Board shall gather data in a way that reflects the diversity of the ownership. It shall meet with, gather input from, and otherwise interact with the broad base of communities.
3. Collection of input from the ownership may be accomplished through a variety of methods, including, but not limited to, meetings with the ownership, surveys, and advisory teams.
