Season of Giving Campaign - Youth Supporting Youth

As a Christ-centred school, we believe faith is lived out through service to others. Through our *Season of Giving* campaign**, Youth Supporting Youth**, students and families are invited to support vulnerable youth in Saskatoon by participating in our school-wide collection drive of essential items this Christmas season. The Season of Giving is designed to provide meaningful opportunities for student leadership, faith formation, and community impact.

Collection Period
Students may begin bringing donation items to school starting **Monday, November 23**, with collections continuing through **Monday, November 30**. Donations can be brought directly to the school and submitted through your child's classroom.
