

## News from the Counselling Office

### **Webinar: “The Intimate Connection between Social Media, Gaming, and Porn & Harms to Youth”**

Dr. Mandy Sanchez will be conducting a webinar available to the SCS community. The webinar will address:

- Understanding the ways the social media, gaming, and pornography industries target youth and serve as a hunting ground for predators.
- Gaining a research-based understanding of the social, emotional, and cognitive harms of hypersexualized images and pornography on young people.
- Developing strategies for safe, gentle conversations to engage young people in talking about hypersexualized social media and pornography

#### **Location:**
