SSCE MEMBERSHIP
Saskatoon Society of Christian Education, Inc. (SSCE), which operates Saskatoon Christian School, is made up of dedicated people who value and support Christian Education. As an SCS parent, you are automatically eligible for membership. There is no fee to be a member but the privileges are priceless! At SCS, you have input into the education of your child, the advantage of participating on the Board and in elections, and a voice in the direction of the school. This is just another way that SCS provides an exceptional experience for both the parent and the child.

PARENT PARTNERSHIP PROGRAM
<p>SCS parents are expected to complete an annual service commitment. Fulfilling your service commitment is critical to the success of SCS for so many reasons – from promoting community connection to reducing operating costs to using our abilities to serve one another. When we partner together to care for our school and community in a practical way, our students flourish! We are pleased to provide the Parent Partnership Program to help you satisfy your service commitment and to provide you with many opportunities to serve our school community and contribute to the excellence of the SCS experience.</p> <p>The usual annual service commitment expected of each parent is 8 hours or \$400. <b>Due to Covid and our reduced ability to offer service opportunities, we have temporarily decreased the requirement for each parent to 4 hours or \$200 for the 2021-2022 year only.</b> Each parent is required to submit a post-dated cheque or pre-authorize a debit of \$200 for March 1, 2022 as their commitment guarantee. This payment will only be processed if the service commitment has not been fulfilled.</p> <p>We understand that circumstances arise during the year which may make it difficult for some parents to fulfill this commitment, so a “buyout” option is available. If a parent chooses this option, payment of \$200 is due on the first day of school.</p> <p>For more Parent Partnership information, you can visit our <a href="#">website</a> under the heading “Community”.</p>

FINANCIAL ASSISTANCE
<p>SCS is pleased to offer financial assistance to qualifying families who would otherwise be unable to attend because of financial hardship. Awards of financial assistance are based on an analysis conducted by Apple Financial Services (<a href="http://www.applefinancialservices.ca">www.applefinancialservices.ca</a>) of a family’s ability to contribute towards educational expenses.</p> <p>Apple Financial Services charges a \$120 fee per family to perform the financial analysis. SCS will provide a \$50 tuition credit to those families who choose to enroll their child(ren), regardless of the outcome of the financial assistance application process.</p> <p><b>Apply early as funding is limited.</b></p> <p>Contact the SCS Controller at 306-343-1494, ext. 285, for further information.</p>
